

# Candy Drive FAQ

## Who receives the candy?

Each year Opportunity Village welcomes trick or treaters to the Magical Forest for HalloVeen. During this time, we will use over 900,000 pieces of candy. Your candy drive will help keep expenses down for this annual fundraiser event and contribute to the support of over 2000 individuals in our community served through funds raised.

## Can we use social media?

We welcome you to use media platforms to engage your community and request candy donations from family and friends. You are welcome to share HalloVeen pictures from our Instagram and Facebook page to highlight your event.

## Are we allowed to have Candy Drives outside stores?

We welcome you to use your creative ways to get candy donations. For those who want to set up donation tables in public places, please make certain to get permission from property manager, store manager, school administrator, or lead at desired location.

## How are hours earned?

You will be credited for time given towards your volunteer service. Log your hours through our Better Impact Portal, once we receive candy we will approve your hours. You can submit "actual hours spent" towards your candy drive (to include creating materials, social media posts, planning, etc) or 1 hours for every 4 bags of 250 pieces or more, whichever is greater in hours earned. **To promote candy drives and not "pay for service hours" A MIMINUM OF 5 hours commitment for this role to equal 20 bags of collected candy. Prep time/outreach/ and addition hours add to min. 5 hours of service.**

## Can we have help?

YES, recruit family, friends, classmates, anyone you would like to assist you in collecting donations of candy. All of the candy donated can be used toward YOUR service hours.

## Can we volunteer for HalloVeen at the Magical Forest?

Yes! Sign up through your volunteer account by logging into Better Impact. For group registrations email [volunteers@opportunityvillage.org](mailto:volunteers@opportunityvillage.org).

**Candy can be dropped off at;  
Opportunity Village HR/Volunteers
